Rich Wilde and the Book of Dead review

Theme and Storyline

In this incarnation of the endless Book of Ra imitations, the 2 player is presented with a main character who is no longer a copyright dodging rip off of movie hero Indiana 2 Jones. Instead, the hero, Rich Wilde, is a rip off of computer game hero Nathan Drake.

Beyond that, the formula is 2 much the same – Ancient Egyptian grave setting, hieroglyphics and sarcophaguses on the reels – with updated graphics and bit 2 more gloss on everything. If you have enjoyed the Book of Ra slot and its many imitators before, then you 2 will find nothing to surprise you in Book of Dead.

Win in the base game of Book of Dead slot

Graphics, Sounds 2 and Animations

The graphics are more or less the same as the older games, with a higher resolution and a bit 2 more polish on the artwork being the main upgrades.

The sound effects and music have also been lifted from the old 2 Play'n'Go standard skin, but given a little upgrade in sound quality and complexity. The music does a fair job of 2 setting up a desert atmosphere for the player, but very little else is as well-tailored in the sound effects.

Gameplay video

The 2 animations are serviceable, but again are the generic Play'n'Go animations with only the font changed. They lack the Egyptian or 2 adventure movie flare that would hold the game together.

Gameplay

Book of Dead has a base game and a free spin bonus. 2 Both are played on a five reel slot with three rows and ten configurable win lines. You can set the 2 game to any number between 1 and all 10 lines.

Gamble function offers a chance to upgrade the volatility

The base game 2 has very few other features, but does sport a gamble feature for those who want to crank the volatility of 2 this slot up even further.

Overall, Book of Dead feels like a very standard slot, not doing a lot of different 2 things but doing what it does competently.

Wilds, Bonuses and Free Spins

Among all the hieroglyphs on the reels, one stands out 2 as special: the Book symbols acts as both a wild symbol and as a scatter.

As a wild, the Book symbol 2 substitutes for all other symbols. While as a scatter, the Book symbol pays out from anywhere on the reels, regardless 2 of whether it is on a winline or not.

Special expanding symbol is randomly selected before you start the free spins 2 bonus game. Three Books will pay out twice your bet per spin, four will pay out twenty times your bet per 2 spin, and five symbols gets you two hundred times your bet per spin. This is on top of any winlines 2 it is part of as a Wild.

When one single spin changes your free spins bonus game

Three or more Books will 2 also trigger ten free spins. During the free spins, a symbol is chosen to expand on any reel where it 2 will result in an additional win. While regular symbols must run left to right starting from reel one, the expanding 2 symbol can appear anywhere on a win line to produce a win.

Then you'll win big after the feature ends...

...and then 2 max-out gamble feature with a few lucky picks

Free spins can be retrIGGERED by hitting three or more Scatters during the 2 free spins, effectively adding another ten spins to your remaining spin counter.

Bet Sizes, RTP and Variance

The return to player of 2 this game is 96.21%. This is within the bracket of roughly 96% that we use as our yardstick for average.

The 2 range of bets on the site we tested ran from a minimum bet per spin of R\$/£/€0.01 if you play just 2 one line or R\$/£/€0.10 if you play all ten. The maximum bet on the site we tested was R\$/£/€100.00 per spin.

The volatility 2 of this game is as great as the pyramids at Giza; Play'n'GO rate it as 10/10 the highest level of 2 volatility they produce. This ultra-high volatility makes this slot an excellent match for our preferred slot machine strategies.

Top symbols payable 2 for Book of Dead slot machine, in coin values

Conclusion

Book of Dead is one of the most popular slots out there. 2 This is largely because it evokes popular culture figures in a recognisable setting, and does a similar but slicker job 2 than its direct competitor Book of Ra, which is something of a classic.

On top of these solid fundamentals, we like 2 it for its high volatility and decent return to player.

Both features make it a good match for our slot 2 strategies.

We strongly recommend this one.
